

aguabendita

Summer 24 Collection

*“Let’s take off our shoes, meditate,
move our bodies, and enjoy a sunbath,
outdoors and with the sea breeze.”*

SUMMER 24

Returning

to the

Roots

Regeneration inspired by a change centered on the human being and expanded to collective thinking. The uncertainty of our times makes us reflect on the future. Agua Bendita invites us to celebrate and live with intention what unites us: people, places, customs, cultures, and communities. Wrapped in the sun, caressed by the breeze, bathed by the sea, and with bare feet on the earth, in the summer, we reconnect with nature.

This is how we enjoy the warmth of summer, the longest days that allow us to take a break to take care of our body, organize our mind, and enjoy leisure time. During this time, we seek a connection with nature, trying to rebalance ourselves with what surrounds us: people, places, customs, cultures, and communities.

Coverage

BOTTOM COVERAGE

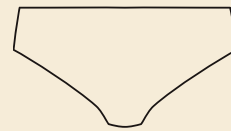

In our bottom silhouettes, you can find different coverings to give the consumer a better option of use and preference. In design, we employ coverages from low to high, with a low bottom with less fabric and a high bottom with much more material.

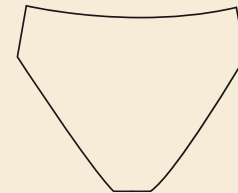

Brazilian:
Our lowest coverage,
perfect for getting a tan.

Latin:
Our medium coverage; provides com-
fort and security, but at the same time,
it shows more skin.

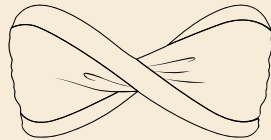

American:
A mainly high/
medium coverage.

Full Coverage:
Our silhouette with
the highest coverage.

TOP SILHOUETTES

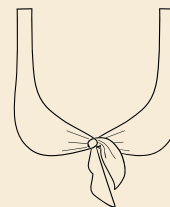

Just like our bottoms, our tops fit all likings and preferences. Our customers can find classic swimwear tops like high triangle pieces or halter tops and more modern silhouettes like sleeves or bralette tops.

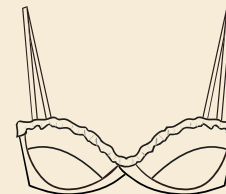

Bandeau:
A silhouette that fits perfectly
to the chest.

Triangle
A classic silhouette perfect for
tanning. our triangle garments
have adjustable straps.

Sport:
A more fitted silhouette
for better comfort.

Underwire
Silhouettes that have an
underwire for more support.
